Vision

To be a centre of excellence in all aspects of management education and produce ethical leaders with functional expertise, sustainability and entrepreneurial perspective to improve the employability exponentially.

"Real World, Real Learning"

The Lloyd Institute is guided by the philosophy of combining theoretical knowledge with practical applications in order to create skilled, highly trained and employable professionals. We are able to fulfill this mission by having a **strong Industry connect**.

We constantly strive to achieve our objectives of **delivering quality education** to students while ensuring their professional development through Professional Development Programs, On-job-Trainings, Corporate faculty and exposure to multiple industries & sectors with which the institute has intensive tie-ups.

The **Strength of the Institute** is in the niche and highly industry-integrated courses that it offers in the field of management under the combined aegis of renowned faculty members and highly respected corporate professionals. The Institute's proximity to some of the country's leading corporate houses & organizations provides an edge of integrating the classroom knowledge with professional experience.

ABOUT THE PROGRAMMES

Bachelor of Business Administration

The BBA program at Lloyd provides a strong foundation in core business disciplines, helping participants to acquire the key competencies needed by all business management students at an undergraduate level in a diverse field. Our Intensive BBA program focuses on enhancing the ability to communicate, analyze situations, present own views in front of a large audience, take decisions using quantitative and qualitative factors, and develop a holistic view of the different functional areas of business environment.

Bachelor of Commerce

The B.Com Program at Lloyd is a three year Full Time Program affiliated to CCS University, Meerut and designed with the objective to acquaint the students with the important aspects of management, accounts, financial and economic environment. The program aims to enable and empower students with requisite skills, knowledge and abilities to analyze the contemporary realities of the business world and helps to instill conceptual and practical understanding of the financial market and technological advancements.

Student Testimonial

Sakshi Garg
